San Antonio Police Chief William McManus is pleased to announce that the San Antonio Police Department is graduating the largest CPA (Citizens Police Academy) class ever in the history of the program.

66 graduates have completed 11 weeks of classroom instruction and will be presented with their diploma. These citizens have volunteered their time to learn the inter-workings of the police department, its procedures and operations. Upon graduation, these CPA graduates will now become a vital part of the police department's community outreach and play an active role in making San Antonio a better place to live and work.
